Day 7: Full day Sightseeing in Ho Chi Minh City & Cu Chi Tunnels (B)

This morning I enjoyed a city tour that included the Reunification Hall, formerly known as the Presidential Palace. It was towards this modern building that Communist tanks rolled on the morning of April 30, 1975, as Saigon fell. This fascinating building is filled with history still fresh in the minds of many. The tour also includes the Old Post Office, the Notre Dame Cathedral, the Jade Emperor Pagoda, Chinatown and Binh Tay Market – the central market for the city and one of the liveliest areas. Next we visit the Cu Chi Tunnels, the incredible network of tunnels that once stretched for 210 miles. This underground complex was built by guerilla fighters beginning in 1940 and construction continued throughout the Vietnam War. We return to our hotel where the evening is free.

Day 8: Mekong full day delta tour (B)

Today takes you to My Tho, the capital of Tien Giang Province. Situated on the Mekong River, 75 kilometers southeast of Ho Chi Minh City, the city is surrounded by orchards and rice fields, which produce grain for the entire country. Visit one or two of the islands that produce traditional handcrafts, coconut candy and bee farms. Visit the Vinh Trang Pagoda, the oldest one in the delta on your boat trip
